Canadian Institute of Quantity Surveyors & Royal Institution of Chartered Surveyors 4th Annual Construction & Project Management Seminar (Ontario)

Developments in Construction Law The Construction Lien Act (Ontario) Issues & Approaches - Outcomes & Reforms

Networking
Opportunity

"These reforms a potential game changer in terms of how business is carried out in construction in Ontario and further beyond in Canada . . ."

Background: There continue concerns that the Construction Lien Act (Ontario) is no longer responsive to the industry's need and that changes are long overdue. As the provincial led expert review process includes the review of prompt payment, alternative dispute resolution, modern project structures and legislative reforms. Don't miss out on what is sure to be another sold out seminar as experts discuss far reaching reforms.

EVENT AGENDA & REGISTRATION JOINT RICS/CIQS ANNUAL EVENT - OAKVILLE, ONTARIO THURSDAY, NOVEMBER 17, 2016

Brief Agenda: Doors open for registration at **6:00pm**, followed by hot dinner (cash bar available), presentations by industry recognized subject matter experts, panel discussion. This will be followed by the presentations of the 2016 Construction & Project Management Volunteer Award. Networking opportunities.

Exclusive Pre-Event Presentation: All attendees of the 4th Annual Construction and Project Management Seminar are invited to attend the exclusive pre-event presentation at **5:00pm**: "Quantity Surveying – 2020 & Beyond". This session, hosted by our event partner, the Canadian Association of Consulting Quantity Surveyors (CACQS), explores the history of Quantity Surveying firms in Canada and how they are positioned recognizing changing industry trends:

CACQS

- **Composition of the CACQS:** Bruce van Ryn-Bocking, Executive Director, CACQS
- **History of Canadian Quantity Surveying Firms:** Alan Hand, Senior Partner, A.W. Hooker
- **The Purpose and Ongoing Relevance of CACQS :** Louis yves LeBEAU, President, Macogep
- **The Future for Canadian Quantity Surveying Firms:** Arif Ghaffur, President, Lakeland Consulting

Venue & Location: Otello's Convention Centre, 2273 Royal Windsor Drive, Oakville, Ontario, L6J 7X8. Please note that free onsite parking is available and this location is conveniently located at the junctions of 403/QEW.

Seminar Description: Participants in the construction industry, either as contractors, subtrades, material suppliers continue to advance their understanding of the fundamentals of the Construction Lien Act (Ontario), the purpose, issues, typical approaches, rights, obligations, advancements and ongoing reforms.

Who Should Attend: Professionals including Quantity Surveyors, Estimators, Project Managers, Commercial Managers, Project Controls Personnel, Project Coordinators, Construction Managers, Construction Supervisors, Payment Certifiers, Architects, Specifiers, Dispute Resolution, other multi-disciplined Professionals and aspiring professionals.

Speakers & Experts: Speakers are senior industry professionals who have extensive experience in the Construction Lien Act (Ontario). Speakers will provide their perspectives on where we are today, approaches and reforms. Presentations will be followed by a panel discussion moderated by Brendan Bowles, Partner, Glaholt LLP. Topics will include:

- **Overview of the Construction Lien Act:** Paul Hancock, Associate, Goldman, Sloan, Nash and Haber LLP
- **Typical Lien Issues & Approaches:** Maria Ruberto, Partner, Pallet Valo LLP
- **Reflecting on Reforms:** Roger Gillott, Partner, Osler, Hoskin & Harcourt LLP

This event will be Chaired by Sorina Du Toit, President, SDT Cost Management and the recipient of the **2016 Volunteer Award of Excellence** will be Lenny Simonelli, Director of ReXcon ConstruXion Corp. and the Editor of the CIQS - Ontario eNewsletter.

Learning Outcome & CPD: In addition to networking with senior industry professional, attendees will gain an understanding of liens, issues and reforms. Join us and our event partners at this joint event for an evening of insightful presentations and networking. Please note that this event qualifies for CIQS Hours/Points and 3 Hours RICS CPD.
